Subject: [External] Status of IDA's QMP

Hi Brad, Doug, and Suzanne:

Following up on last week's mid-year call, I'm providing this update on the status of IDA's QMP. Larisa explained she prepared this document for mailing before her last day in the office on March 16th. It should be waiting for you at your office when you return. I understand Larisa shared this with Susan yesterday, so she may have provided this update already. If so, my apologies for any duplication!

Please let us know if you have any additional questions.

Thanks,

Claudia Niess
